Kalamazoo Right to Life

Kalamazoo Right to Life was founded in 1969, which makes us the oldest existing prolife group in the state. We are your local Right to Life of Michigan affiliate, protecting the precious gift of human life from conception to natural death.

What we do:

- **Educate:** We provide factual information on the topics of abortion, infanticide, assisted suicide, and euthanasia to help educate our local citizens on life issues relevant today.
- **Legislative action:** We participate in the legislative process so that laws are passed on behalf of defenseless and vulnerable human beings—born and unborn.
- **Political action:** We are involved in the political arena so that we can elect officials who will protect innocent members of our human family.

Who we are

We are an affiliate of Right to Life of Michigan representing the local citizens within our community.

We are convinced that death is not a solution to suffering or hardship. Together, we are working for the day when positive life-affirming solutions are found for difficult situations at both the beginning and end of life.

We are a non-profit volunteer organization made up of people of different political persuasions, various faiths and diverse economic, social, and ethnic backgrounds.

We work peacefully to advance our identified life issues. We oppose illegal and violent means to achieve our goals. To counter violence with violence is against our principles.

Benefits of a share in life membership

When you become a member of Kalamazoo Right to Life, you also become a member of Right to Life of Michigan. Together, we speak with one voice, and together we can make a difference!

You will receive timely communications about our local projects and activities, information about various opportunities for participation and support, and state and national prolife legislative developments.
