*special guest speaker*

**From atheist to Christian**, and now prolife presenter, Jay Watts is known for his top notch prolife apologetics training. He is known as a dynamic speaker and writer whose straight-forward message resonates with even the skeptic, and yet he masterfully does so with respect for his audience. "Jay presents the case from a strong platform convincingly built on the truths of theology, philosophy, science, and the current culture." Jay is a speaker and writer for the Life Training Institute and serves as LTI's vice president.
